A Message from the CEO

Ever since the instituting, we have strived to contribute to the prosperity of our communities and society keeping in view the commitments regarding Sustainable Development Goals (SDGs)

Devotion, obligation and hard work is what has helped Saiban Kisan Society achieve its goals and objectives to date. Saiban Kisan Society is ambitious to continue working on WASH, Shelter, Livelihood, Agriculture, Food security & Nutrition, Disaster Response, Governance, Women Empowerment, Education and construction of Masjid for the most vulnerable and disadvantaged in society. SKS strongly believes that without promotion of basic human rights, there cannot be a progressive Pakistan. SKS is committed to ensure every citizen regardless of race, color, religion and ethnic background is able to enjoy his/her Human Rights without restriction and fear for the safety of their own wellbeing. SKS has stood by the citizens and helped the vulnerable and underprivileged communities. As CEO of this well established and well recognized organization, I would like to offer a special note of gratitude to SKS members, Forum members, Village Committees, Youth members and volunteers. All our stakeholder associated with SKS is so special to us; we would not be able to work without you. As our organization network continues to grow, it becomes stronger, more united and SKS envisions and will contribute a more for prosperous and brighter future of Pakistan. We are just a drop in the horizon of progress, but we will endeavor to reduce the poverty, social issues, WASH, Livelihood and catastrophic issues in Pakistan and always contribute and struggle for the prosperous and progressive Pakistan and also for our future generations
